THE STORY OF THE R.A.M.C.

DESCRIBED by the author as "this very modest brochure" the booklet aims at giving in four short chapters and a dozen pages, a general picture of the history, traditions and ideals of the Royal Army Medical Corps. Intended for young recruits and apprentices the Story is based on the components of the Corps badge: Rod and Serpent, The Crown, The Laurel Wreath, The Motto. Thinly disguised in its authorship under the initials R.E.B. the Story will appeal to a much wider circle of readers.

The author is to be congratulated on his contribution to *esprit de corps*.

Copies may be obtained from the Honorary Secretary, R.A.M.C. Historical Museum, Keogh Barracks, Ash Vale, Nr. Aldershot, Hants. Price 1s.
