Guidelines for Authors and Reviewers

Full instructions are available online at <http://militaryhealth.bmj.com/pages/authors/> Articles must be submitted electronically <http://submit-militaryhealth.bmj.com>.

Impact factor: 0.994

Copyright © Author(s) (or their employer(s)) 2021. No commercial re-use. See rights and permissions. Published by BMJ.

BMJ Military Health aims to publish high quality research, reviews and case reports, as well as other invited articles, which pertain to the practice of military medicine in its broadest sense. It welcomes material from all ranks, services and corps wherever they serve as well as submissions from beyond the military. It is intended not only to propagate current knowledge and expertise but also to act as an institutional memory for the practice of medicine within the military.
