Volume 169 Issue e1 | BMJ Military Health May 2023

Editors

e1 Sleep tactics for multidomain operations in US Army military personnel: optimising sleep opportunities to support readiness and lethality
A B McKean, J Mantua, W J Sowden

e4 Military families and military-to-civilian transition: the current state of play
H Cramen, D Norris, N T Fear, R Dekel

e6 Moral injury and the potential utility of art therapy in treatment
V Williamson, J Lobban, D Murphy

Original research

e9 Civilian perception of the role of the military in Nigeria’s 2014 Ebola outbreak and health-related responses in the North East region
C M A Kwok, D J Oliveri, S Boland, P C Henwood, B Card, D P Polatty, A C Levine

e15 Effects of physical fitness training on metabolic syndrome among military personnel in Taiwan
C-F Chang, Y-C Wu, C-H Lai, P-C Chen, Y-L Guo

e20 Pattern of upper limb amputation associated with lower limb amputation: the UK military experience from Iraq and Afghanistan
L McMenemy, V Mondini, D C Roberts, A Kedgley, J C Clasper, S A Stapley

e24 Characteristics of US military personnel with atrial fibrillation and associated deployment and retention rates
A N Keithler, A S Wilson, A Yuan, J M Sosa, K Bosh

e29 Perceived hazardous physical work environments and job-related affective well-being of navy officers aboard the Republic of Korea Navy ships and submarines in South Korea
D Jo, C K Koh

e34 Transport time after combat-related injury and patient-reported outcomes among US service members
R J Hawari, C T McCabe, A L Dougherty, S L Esbråge, J R Watters, J Szewczuk, M R Galanteau

e39 Evaluation of eConsult use by Defence Primary Healthcare primary care clinicians using a mixed-method approach
A S Willman

e44 Medical services provided on the ‘Harmonious Mission—2017’ Peace Ark from China
B Tang, Y Han, X Liu, H Zhang, M Li, C Hu, L Zhang

e51 The impact of in-service physical injury or illness on the mental health of military veterans
C Hynes, L Scullion, C Lawler, R Steel, P Boland

e55 Biomechanical evaluation of a tool-less external fixator
D Carpanen, S D Masuero, D J Stinner

e59 Healing features of experimental injuries of soft tissues that contain foreign bodies in the form of fragments of military personnel uniforms
S Pavlov, O Livonova, R Mikhaylusov, V Negodyuke, M Kamechko, N Somko

Personal views

e64 Personal view: security sector health systems and global health
M Bricknell, S Hone

e68 Defence Medical Services telemedicine now: a successful pilot of video consultations and instant messaging support to firm base training
A Sandhu, O Bartels, R J Booker, N Aye Maung

e71 Military trauma and orthopaedics experience of the UK COVID-19 pandemic: a lesson in versatility and how it can influence our deployed role
T Packer, I McMenemy, J Kendrew, S A Stapley

e74 Descriptive record of the activity of military critical care transfer teams deployed to London in April 2020 to undertake transfer of patients with COVID-19
R H James, C P Doyle, D J Cooper

MORE CONTENTS ➤
e78  Unusual presentations of cutaneous larva migrans in British military personnel
D M Inglis, M S Bailey

e82  Predeployment Collective Training under lockdown: lessons learnt from the COVID-19 pandemic
G Milne

e86  Preparing a deployed role 3 medical treatment facility for COVID-19 in Afghanistan
I J S Lewin, D J Krasucki, R P Stuart, B K White

e90  Optimising aerial military medical evacuation dispatching decisions via operations research techniques
P R Jenkins, M J Robbins, B J Lunday

e93  Trans-Atlantic aeromedical repatriation of multiple COVID-19 patients: a hybrid military–civilian model
A B Dagens, J Mckinnon, R Simpson, C Calvert, T Keast, N Hart, M Almond

e97  Practical limitations of emergency donor panels as a risk mitigation in small-scale short-term training team operations
S W J Grant, K M Heil

Images in clinical practice

e100  Post-traumatic spinal cord tethering in a military service person
D L Mills, O O’Sullivan, E Sellon, S Dharm-Datta

Letters

e101  Framework for analysing and fostering civilian–military medical relations
A S Ranayake, MN Joseph, TJ Worlton

e102  Telemedicine for ultrasound diagnostics for the military doctors: an aid, not a norm
N Cazes, A Renard, C Boutillier du Retail
