

INDEX TO VOLUME LXIII.

C.N. = Clinical and other Notes.
C.L. = Current Literature.

	PAGE		PAGE
Acetylcholine bromide .. Notice	286	Beyond Leh—a shooting trip in Ladakh, 1926, by K. W. Dickson	Travel 127, 193
Achlorhydria, the clinical importance of, letter from Major-General P. H. Henderson	421	Bhatnagar, Captain S. S., <i>Bacillus pyo- cyaneus</i> and systemic infection	C.N. 331
Adenocarcinoma of the thyroid gland, notes on a case of, by Majors M. Morris and R. B. Price	C.N. 119	Blewitt, Captain Basil, review of fevers of the typhus group (vector unknown) occurring at Ahmednagar during 1933	313, 379
Aluminium foil for insulation .. C.L.	277	Books, list of, received at the R.A.M. College Library:—	
Anæsthesia, avertin in, by Major L. S. C. Roche	289	January 1 to March 31, 1934 ..	144
Anæsthesia, evipan sodium intravenous. Report on fifty trial cases, by Major K. P. McKenzie	C.N. 45	April 1 to August 31, 1934	287
Anti-typhoid inoculation. Observations relative to the immunological value of different cultures of <i>Bacterium typho- sum</i> , by Brevet-Colonel H. Marrian Perry and Majors H. T. Findlay and H. J. Bensted	1	Boyd, Lieutenant-Colonel J. E. M., Indian typhus; a patient's views .. C.N.	394
Ashanti 1896, Burma 1885-1887, Chitral 1895, by Lieutenant-Colonel G. A. Kempthorne Echoes of the Past 338,	402	Brachial plexus, an account of two cases with pressure symptoms referred to the, by D. W. Smithers and R. M. Yeo	C.N. 258
Avertin in anæsthesia, by Major L. S. C. Roche	289	British Empire Cancer Campaign ..	Editorial 324
<i>Bacillus pyocyaneus</i> and systemic infec- tion, by Captain S. S. Bhatnagar	C.N. 331	British Medical Association Meeting, Bournemouth, July 23-27, 1934 ..	Notice 214
Bacteria, coliform, in milk, the occur- rence of	C.L. 62	<i>Brucella abortus</i> in the infected udder, distribution of	C.L. 415
Bacteria in polluted water, observations on changes in numbers of .. C.L.	61	Brucella infections, intradermal reaction in the diagnosis of	C.L. 414
Ballard, Lieutenant (Quartermaster) R. D., method of emergency conversion of lorries into motor ambulance cars	C.N. 262	Burma 1885-1887, Chitral 1895, Ashanti 1896, by Lieutenant-Colonel G. A. Kempthorne Echoes of the Past 338,	402
Bang's disease in man	C.L. 350	Cancer Campaign, British Empire	Editorial 324
Battlefields in France, a tour of the, by Colonel A. N. Fraser	106	Cawston, Dr. F. G., the control of schisto- somes in South Africa	110
<i>B. coli</i> in water, new method for the de- termination of	C.L. 61	Chadwick Public Lectures, 1934 .. Notice	360
Bensted, Major H. J., Brevet-Colonel H. M. Perry and Major H. T. Findlay, anti-typhoid inoculation, observations relative to the immunological value of different cultures of <i>Bacterium</i> <i>typhosum</i>	1	Charles, Major G. F., an investigation into the eruption of third molars	93
		Chitral, 1895, Burma 1885-1887, Ashanti 1896, by Lieutenant-Colonel G. A. Kempthorne Echoes of the Past 338,	402
		Chlorination and dechlorination of water supplies	C.L. 60
		Chlorine in sewage disinfection, the effi- ciency of	C.L. 278
		Cholera, spread of, by maritime traffic	C.L. 417

Index to Volume LXIII.

PAGE	PAGE		
Clarke, Major L. B., further experimental treatment of gonorrhœa by saline irrigations	145	Diphtheria, occurrence of, in "immunized" persons	C.L. 353
Classification of sick and wounded in the field, by Colonel Schickelé. Translation	29	Diphtheria, toxoid-antitoxin floccules, alum toxoid and formol toxoid in immunization against	C.L. 354
Clayton gas, fumigation of ships by, in Egypt	C.L. 276	Diseases of current interest	Editorial 388
Climatic bube and its treatment, by Major R. H. C. Pryn	C.N. 254	Doctor's War, 1899-1902, by "D.A.D.M.S."	20, 99
Coliform bacteria in milk, the occurrence of	C.L. 62	Dysentery among troops in Quetta, by Lieutenant-Colonel D. T. M. Large	80, 157, 231, 303
Colon group of bacteria, differential reactions in the	C.L. 279	Eccles, Captain C. E., a case of hydatidiform mole	C.N. 125
Complement, a note on the preservation of	C.L. 64	ECHOES OF THE PAST:—	
Cot for British Families Hospitals, by Major L. S. C. Roche	C.N. 263	Burma 1885-1887, Chitral 1895, Ashanti 1896, by Lieutenant-Colonel G. A. Kempthorne	338, 402
Cowpox infection in man	C.L. 274	EDITORIALS:—	
Creagh, Major E. P. N., report on a case of hepatic abscess with spontaneous evacuation through the right lung and bronchial tree	C.N. 186	Active immunization against diphtheria	179
"D.A.D.M.S.," the Doctor's War, 1899-1902	20, 99	British Empire Cancer Campaign, ..	324
Danson, Surgeon-Commander J. G., the symptom of vertigo	168	Diseases of current interest	388
Deafness, periotic, by Major C. A. Hutchinson	296	Report of the Lister Institute of Preventive Medicine, 1934	247
Dental aspects of maternity and child welfare	C.L. 351	Report of the Medical Research Council for the Year 1932-33	87
Dental caries, a review of recent studies of the cause of	C.L. 135	The nutrition question	113
Dental caries, bacteriological, chemical and nutritional studies of	C.L. 352	Evipan sodium intravenous anaesthesia. Report on fifty trial cases, by Major K. P. McKenzie	C.N. 45
Dental caries, diet as the cause and prevention of	C.L. 135	Fevers of the typhus group (vector unknown) occurring at Ahmednagar during 1933, review of, by Captain Basil Blewitt	313, 379
Dental decay in man, best means of preventing, and the uselessness and cruelty of the projected experiments of the International Dental Federation	C.L. 135	Findlay, Major H. T., Brevet-Colonel H. M. Perry, and Major H. J. Bensted, antityphoid inoculation, observations relative to the immunological value of different cultures of <i>Bacterium typhosum</i>	1
Dickson, K. W., beyond Leh—a shooting trip in Ladakh, 1926	Travel 127, 193	Finny, Lieutenant-Colonel C. M., a case of acute localized inflammation of the small intestine	C.N. 43
Diet and household expenditure of unemployed families, an inquiry into the	C.L. 138	Flood, Major R. A., vaccination in the Royal Tank Corps	Correspondence 214
Diet in relation to health in South Africa	C.L. 139, 140	Fraser, Colonel A. N., a tour of the battlefields in France	106
Diphtheria, active immunization against	Editorial 179	Fumigant for ships, liquid sulphur dioxide as a	C.L. 275
Diphtheria bacillus, the biochemistry of media for the	C.L. 62	Fumigation of ships by Clayton gas in Egypt	C.L. 276
Diphtheria, investigations on the <i>gravis</i> , <i>mitis</i> and intermediate types of <i>C. diphtherie</i> and their clinical significance	C.L. 63	Glomerulo-nephritis, a case of, by Major C. Scales	C.N. 190
		Gonorrhœa, further experimental treatment of, by saline irrigations, by Major L. B. Clarke	145

	PAGE		PAGE
Hayman, Major J. R., From Singapore to North China and Japan ..	407	Media for the diphtheria bacillus, the biochemistry of ..	62
Hemphill, Major R., ulnar paralysis		Medical Research Council, report of, for the year 1932-33 ..	37
Correspondence	358	Milk, occurrence of coliform bacteria in ..	62
Henderson, Major-General P. H., the clinical importance of achlorhydria		C.L.	62
Correspondence	421	Mineral oil and tar dermatitis and cancer, on the prevention of ..	138
Hepatic abscess with spontaneous evacuation through the right lung and bronchial tree, report on a case of, by Major E. P. N. Creagh ..	186	Molars, third, an investigation into the eruption of, by Major G. F. Charles ..	93
Hill stretcher, by Major T. O. Thompson	373	Mole, hydatidiform, a case of, by Captain C. E. Eccles ..	125
Hutchinson, Major C. A., periotic deafness ..	296	Morris, Major M. and Major R. B. Price, notes on a case of adenocarcinoma of the thyroid gland ..	119
Hydatidiform mole, a case of, by Captain C. E. Eccles ..	125	Motor ambulance cars, method of emergency conversion of lorries into, by Lieutenant (Quartermaster) R. D. Ballard ..	262
Hydrophobia, by Major H. G. Winter	122		
		NOTICES:—	
Infectious disease, notes on two interesting cases of, by Major P. J. S. O'Grady	398	Acetylcholine bromide ..	286
C.N.	398	Aided Government medical officers' posts in Southern Rhodesia ..	70
Insulation, aluminium foil for	277	British Medical Association Meeting, Bournemouth, July 23-27, 1934 ..	214
Intestine, small, case of acute localized inflammation of the, by Lieutenant-Colonel C. M. Finny ..	43	Chadwick Public Lectures, 1934 ..	360
		First International Congress of Electro-radio-biology ..	69
Kashmir valley, three months in, by "Unst" ..	267, 343	Henry Lester Institute of Research, Shanghai ..	69
Kempthorne, Lieutenant-Colonel G. A., Burma 1885-1887. Chitral 1895. Ashanti 1896 ..	Echoes of the Past 338, 402	List of books received at the R.A.M. College Library:—	
		January 1 to March 31, 1934 ..	144
Labour-saving devices and methods of economy, by Major E. W. Wade ..	368	April 1 to August 31, 1934 ..	287
Large, Lieutenant-Colonel D. T. M., dysentery among troops in Quetta	80, 157, 231, 303	London Medical Exhibition, 1934.	
		Burroughs Wellcome Stand ..	359
Lister Institute of Preventive Medicine, report of the, 1934 ..	Editorial 247	London School of Hygiene and Tropical Medicine, course of lectures ..	422
London School of Hygiene and Tropical Medicine, course of lectures	Notice 422	Parkes Memorial Prize for 1935 ..	215
		"Tabloid" fine-grain developer ..	215
Malakand Force, with the, by Captain M. G. de L'Isle Sturm ..	13	Nutrition question, the	Editorial 113
Malaria control in Bengal, by Major H. G. Winter ..	238	O'Grady, Major P. J. S., notes on two interesting cases of infectious disease	C.N. 398
Malaria, latent, serological diagnosis of	C.L. 208	Parkes Memorial Prize for 1935. Notice	215
		Periotic deafness, by Major C. A. Hutchinson ..	296
Malaria, seroflocculation in ..	C.L. 207	Pernoceton in midwifery, by Major L. S. C. Roche ..	265
Mastitis, bovine studies in ..	C.L. 275	Perry, Brevet-Colonel H. M., and Majors H. T. Findlay and H. J. Bensted, anti-typhoid inoculation, observations relative to the immunological value of different cultures of <i>Bacterium typhosum</i> ..	1
Maturity and Child Welfare, dental aspects of ..	C.L. 351		
McKenzie, Major K. P., evipan sodium intravenous anaesthesia. A report on fifty trial cases ..	C.N. 45		

PAGE	REVIEWS— <i>continued.</i>	PAGE
Plague, spread of, by maritime traffic C.L. 417	Handbook of therapeutics, by David Campbell 211	
Poole, Major L. T., Lieutenant-Colonel H. E. Shortt and Assistant Surgeon E. D. Stephens, sand-fly fever on the Indian Frontier 361	Manipulative treatment for the medical practitioner, by T. Marling .. 357	
Poole, Major L. T., and Captain A. Sachs, preliminary results of an investigation into the aetiology of sand-fly fever .. 73	Massage and remedial exercises, by Nöel M. Tidy 419	
Pressure symptoms referred to the brachial plexus, an account of two cases with, by D. W. Smithers and R. M. Yeo C.N. 258	Mayou's diseases of the eye, 4th edition, revised by F. Ridley, and A. Sorsby 65	
Price, Major R. B., and Major M. Morris, notes on a case of adenocarcinoma of the thyroid gland C.N. 119	Memoirs of a camp follower, by Philip Gosse 213	
Pryn, Major R. H. C., climatic bubo and its treatment C.N. 254	Modern advances in diseases of the throat, by Arthur Miller 355	
Reactions, differential, in the colon group of bacteria.. .. . C.L. 279	Modern inhalation therapy, by C. H. Auty 65	
Relapsing fever in Chitral, by Captain Albert Sachs 217	Modern treatment in general practice, edited by C. P. G. Wakeley .. 357	
REVIEWS:—	Motherhood: a guide for mothers (Cow and Gate) 210
