

INDEX TO VOLUME LXVI.

C.N. = Clinical and other Notes.
C.L. = Current Literature.

PAGE	PAGE		
Aircraft, destruction of mosquitoes in C.L.	412	Carcinoma, primary, right bronchus, notes on a case of, by Major G. D'R. Carr C.N.	332
Aluminium in food C.L.	414	Carr, Major G. D'R., notes on a case of primary carcinoma right bronchus C.N.	332
Ammonia chlorine treatment of water applied by a standardized method, report on a series of tests performed to ascertain the efficiency of the, by Major E. F. W. Mackenzie	217, 289	Chadwick Public Lectures .. Notice	215
Analysis, chemical, of food, notes on the, by Major J. N. Atkinson	84	Chemical analysis of food, notes on the, by Major J. N. Atkinson	84
Aneurysm, two cases of, by Major R. A. Bennett C.N.	263	Cobra, an adventure with a, by Captain D. P. F. Mulvany	36
Archer, Captain G. T. L., pyocyanin and allied pigments	27	Coles, Major W. E. K., leptospirosis in the Aldershot Command	73
Armoured fighting vehicles, the problem of dealing with casualties in a force—a plea for a "Pramb," by Major S. J. L. Lindeman	156	Congenital heart disease, a case of, simulating dextrocardia, by Captains L. R. S. MacFarlane and H. W. Daukes C.N.	46
Atkins, Major R. R. G., notes, clinical and otherwise C.N.	400	Coppinger, Lieutenant-Colonel C. J., leptospirosis among rats at Aldershot	82
Atkinson, Major J. N., notes on the chemical analysis of food	84	Curran, Captain E. J., some observations on fever of the typhus group (vector unknown)	94
Bennett, Major R. A., two cases of aneurysm C.N.	263	Cysticercosis (<i>T. solium</i>), by Brevet Lieutenant-Colonel W. K. Morrison	32
Biggam, Lieutenant-Colonel A. G., and Colonel J. Heatly-Spencer, the examination of elderly men for fitness for an active physical life	361	D.A.D.M.S., the doctor's war, 1899-1902	102, 249, 320, 377
Boyd, Major J. S. K., a review of the dysentery bacilli of India, with special reference to certain recently described types	1	Daukes, Captain H. W., and Captain L. R. S. MacFarlane, a case of congenital heart disease simulating dextrocardia C.N.	46
Boyle, Major H. A., a case of lipoma C.N.	124	Dengue temperature charts, by Major F. J. O'Meara C.N.	120
Boyle, Major H. A., and Major K. M. Nelson, a case of hæmophilia C.N.	117	Denning, Lieutenant G. M., and Lieutenant-Colonel J. B. A. Wigmore, leptospirosis jaundice in a groom	21
British Medical Association, letter from Lieutenant-General Sir James Hartigan	70	Dental infection, chronic, as a cause of inefficiency in the Army, by Major S. H. Woods	383
Cancer Editorial	328	Denture impacted in the food or air passages, five Army cases of a, by Major S. H. Woods	240
Canned foods, the inspection of C.L.	286	Diet and health Editorial	186
Cannibalism amongst mosquito larvæ, by Major R. A. Mansell C.N.	50		

PAGE	PAGE
Diphtheria carriers, the epidemiological significance of, from the standpoint of bacterial types C.L.	66
Doctor's war, 1899-1902, the, by D.A.D.M.S.	102, 249, 320, 377
Dysentery, an outbreak of, due to <i>B. dysenteriae</i> , Flexner type P288, by Captain D. A. O. Wilson .. C.N.	191
Dysentery bacilli of India, a review of the, with special reference to certain recently described types, by Major J. S. K. Boyd	1
Eccles, Captain C. E., a case of endocrine deficiency C.N.	398
ECHOES OF THE PAST:—	
War experiences of a Territorial Medical Officer, by Major-General Sir Richard Luce	272, 340, 402
EDITORIALS:—	
Cancer	328
Diet and health	186
The Corps as a career	45

Typhus group, some observations on fever of the (vector unknown), by Captain E. J. Curran	94		
Urethritis, non-gonococcal, some cases of, in the Near East, by Flight-Lieutenant Ian MacKay and Captain Walter P. Kennedy	C.N. 194		

EDITORIAL NOTICES

The Editor will be glad to receive original communications upon professional subjects, travel, and personal experiences, etc.

Correspondence on matters of interest to the Corps, and articles of a non-scientific character, may be accepted for publication under a nom-de-plume.

All Communications or Articles accepted and published in the "Journal of the Royal Army Medical Corps" will (unless the Author notifies at the time of submission that he reserves the copyright of the Article to himself) become the property of the Library and Journal Committee, who will exercise full copyright powers concerning such Articles.

A free issue of twenty-five reprints will be made to contributors of Original Communications and of twenty-five excerpts in the case of Lectures, Travels, Clinical and other Notes, and Echoes of the Past.

Reprints or excerpts, additional to the above, can be furnished on payment if specially ordered at the time of submission of the article for publication.

Communications in regard to editorial business should be addressed—"The Editor, JOURNAL OF THE ROYAL ARMY MEDICAL CORPS, War Office, Whitehall, London, S.W. 1."

MANAGER'S NOTICES.

The Annual Subscription for the JOURNAL OF THE ROYAL ARMY MEDICAL CORPS is £1 payable in advance. Single copies, 2s. 6d. per copy.

Cheques, etc., should be made payable to the "Journal R.A.M.C.," and crossed "Holt & Co."

Each subscriber who pays his subscription direct to the Manager will also receive monthly a copy of "The R.A.M.C., The A.D. Corps, and Q.A.I.M.N.S. *News and Gazette*."

Communications in regard to subscriptions, change of address, etc., should be addressed "THE MANAGER, JOURNAL OF THE ROYAL ARMY MEDICAL CORPS, A.M.D.2, WAR OFFICE, WHITEHALL, LONDON, S.W. 1."

ADVERTISEMENTS.

*Communications regarding Advertisements should be addressed—
G. STREET & CO., LTD., 8, SERLE STREET, LONDON, W.C. 2.*
