

INDEX TO VOLUME LXVIII.

C.N. = Clinical and other Notes.

C.L. = Current Literature.

PAGE	PAGE
Aggarwal, Jemadar L. C., and Captain B. N. Khan, investigation into a special strain of staphylococcus .. C.N.	261
Antibodies, protective, in the blood serum of individuals after immunization with typhoid vaccine C.L.	281
Anti-malaria drainage work in the new Changi Cantonment, by Major W. J. F. Craig	15, 73
Antityphoid inoculation in Armies: International inquiries C.L.	355
Anxiety conditions, notes on a suggested explanation of the anomalies in the situation regarding the prevalence of, by Colonel H. Gall	361
Anxiety neurosis in the Army, contribution to discussion on, by Major F. M. Lipscomb. Medical Specialists' Meeting, 1936	32
Anxiety states, discussion on, by Dr. Aldren Turner. Medical Specialists' Meeting, 1936	107
Anxiety states, discussion on, by Major J. Bennet. Medical Specialists' Meeting, 1936	107
Appendicitis and influenza, by Major F. T. Boucher	243
Artificial pneumothorax experience of the L.C.C. C.L.	284
Auricular fibrillation, a case of, with recovery, by Major P. J. S. O'Grady C.N.	401
Bathing and drying tent apparatus, by Colonel G. W. Sutton C.N.	192
Bennet, Major J., discussion on anxiety states. Medical Specialists' Meeting, 1936	107
Bensted, Major H. J., typhoid fever, virulence of strains of <i>Bact. typhosum</i> , 100 consecutive cases	1
Black-Hawkins, Mrs. Letters from the Peninsula, written in 1811 by Captain Cranstoun George Ridout, 11th Light Dragoons	246, 324
Blood in the sputum, an unusual cause of, by Captain F. J. O'Dowd C.N.	268
Boucher, Major F. T., influenza and appendicitis	243
<i>Brucella abortus</i> infection, the influence of tuberculosis upon the development of C.L.	211
Buckland, Captain F. E., and Major J. W. Hyatt, a case of severe epistaxis and recovery following the use of Dahoia venom as a hæmostatic C.N.	54
Cancer Editorial	185
Capon, Captain P. J. L., the experiment on sub-standard recruits	293
Carcinoma of the liver, primary, a case of, by Lieutenant-Colonel C. M. Finny and Captain L. R. S. MacFarlane C.N.	117
Carr, Major-General H., the schooner "Isabella"—conversion from trader to yacht	95
Cerebrospinal fever in the U.S. Navy, the incidence of, as related to length of service and season of enlistment C.L.	205
Changi cantonment, anti-malaria drainage work in the new, by Major W. J. F. Craig	15, 73
Chief Inspector of Factories and Workshops, annual report of the, for the year 1935 C.L.	184
Coccidiosis, human, a case of, by Brevet Colonel R. Priest	317
Colquhoun, Mrs. G. F. I., "the first operation for appendicitis" Correspondence	287
Coronary occlusion in a man aged 27, by Captain L. R. S. MacFarlane C.N.	195
Coronation of H.M. King George VI. Tradition of Sovereignty Facing	293
Craig, Major W. J. F., anti-malaria drainage work in the new Changi Cantonment	15, 73
Craig, Major W. J. F., report on the League of Nations' course on malaria held in Singapore	164
Crawford-Jones, Lieutenant-Colonel C., some aspects of the prevention and treatment of venereal diseases in the Army, with special reference to gonorrhœa	175

	PAGE		PAGE
Daboia venom as a hemostatic, case of severe epistaxis and recovery following the use of, by Major J. W. Hyatt and Captain F. E. Buckland .. C.N.	54	Ethyl chloride as a general anæsthetic, an improvised apparatus for the administration of, by Captain A. Macdonald, and Assistant Surgeon R. Dorling C.N.	119
Deolali forty years ago, by Lieutenant-Colonel J. G. McNaught	270	Finny, Lieutenant-Colonel C. M., and Captain L. R. S. MacFarlane, a case of primary carcinoma of the liver .. C.N.	117
Echoes of the Past	270	Flint, Lieutenant H. L., and Major F. R. H. Mollan, an improved (universal) lorry fitting for stretchers .. C.N.	267
Diagnosis, a case for, by Captain J. S. Kelleber C.N.	264	Food Investigation Board, report of the, for the year 1935 (Department Scientific and Industrial Research) .. C.L.	212
Dietary survey in terms of actual food consumed C.L.	414	Food, the nutritive value of fruits, vegetables and nuts C.L.	213
Diphtheria, anti, immunization, the practical aspects of, with a report of the results in Ruchill Fever Hospital .. C.L.	138	Fractures of the jaws, treatment of 76 cases of, by Major S. H. Woods	366
Diphtheria bacillus, differentiation of the, from diphtheroids by a new fermentation reaction on dextrose-ascites agar C.L.	66	Fractures, the treatment of, by Brevet Lieutenant-Colonel D. C. Monro	149
Diphtheria, types of <i>C. diphtheriæ</i> in Maryland C.L.	67	Gall, Colonel H., notes on a suggested explanation of the anomalies in the situation regarding the prevalence of anxiety conditions	361
Diphtheria types, review of the observations which have accumulated with regard to the significance of, in the last four years (1931-1935) C.L.	153	General paralytics treated with malaria, investigations on the problem of immunity against <i>Spirocheta pallida</i> in .. C.L.	207
Disinfection, "downward displacement": blankets and webbing equipment, by Major H. A. Sandiford	217	Geneva Convention and modern warfare, précis of a lecture given by General Schickele	160
Dorling, Assistant Surgeon R., and Captain A. Macdonald, an improvised apparatus for the administration of ethyl chloride as a general anæsthetic .. C.N.	119	Genital warts, by Lieutenant J. F. Wilson	227, 305
"Downward displacement" disinfection: blankets and webbing equipment, by Major H. A. Sandiford	217	Gillespie, Major F. S., two useful ointments C.N.	58
Drying tent apparatus, bathing and, by Colonel G. W. Sutton C.N.	192	Glandular fever, or infective mononucleosis, a case of, by Captain R. St. J. Lyburn C.N.	403
ECHOES OF THE PAST:—		Goitre, endemic Editorial	49
Deolali forty years ago, by Lieutenant-Colonel J. G. McNaught	270	Health of the Army, 1935, report on the Editorial	332
Medical administration in the South African War	341	Heat exhaustion and dehydration in the Arabian Desert, by Lieutenant-Colonel H. Stott	379
War experiences of a Territorial Medical Officer, by Major-General Sir Richard Luce .. 59, 121, 196, 275, 347, 407	407	Hildreth, Lieutenant-Colonel H., sobita—bismuth et sodii tartras and its uses .. C.N.	55
EDITORIALS:—		Hood, Lieutenant-Colonel A., the prevention of venereal disease with special reference to preventive ablution centres ..	390
Cancer	185	Hunter, John (1728-1793)	145
Endemic goitre	49	Hyatt, Major J. W., and Captain F. E. Buckland, a case of severe epistaxis and recovery following the use of Daboia venom as a hæmostatic .. C.N.	54
On the State of the Public Health .. 253, 393	393		
Report on the Health of the Army for 1935	332		
Elliott, Major S., a simple apparatus for the determination of pH values	239		
Endemic goitre Editorial	49		

	PAGE		PAGE
Hypoglycæmia, an unusual case of, by Captain A. Macdonald C.N.	191	Macdonald, Captain A., an unusual case of hypoglycæmia C.N.	191
Immunizing potency of antigenic components isolated from different strains of <i>Bact. typhosum</i> C.L.	282	MacFarlane, Captain L. R. S., and Lieutenant-Colonel C. M. Finny, a case of primary carcinoma of the liver C.N.	117
Impacted left upper molar, an unerupted supernumerary, by Major G. W. Will C.N.	405	MacFarlane, Captain L. R. S., coronary occlusion in a man aged 27 C.N.	195
Influenza and appendicitis, by Major F. T. Boucher	243	Malaria, anti-, drainage work in the new Changi cantonment, by Major W. J. F. Craig	15, 73
Influenza, epidemiologic and clinical observations C.L.	209	Malaria, report on the League of Nations' Course on, held in Singapore, by Major W. J. F. Craig	164
Influenza infection of man from the ferret C.L.	209	Manila and a gold mine, by Lieutenant-Colonel M. J. Williamson ..	384
Influenza, recovery of a filtrable virus from children with C.L.	209	Mapother, Dr. E., war neurosis Medical Specialists' Meeting, 1936	38
Influenza, the experimental disease in ferrets C.L.	209	Masks for protection against dust, new ideas in the making of C.L.	135
International Congress of Military Medicine and Pharmacy, Ninth Notice "Isabella," the schooner—conversion from trader to yacht, by Major-General H. Carr	95	McNaught, Lieutenant-Colonel J. G., Deolali forty years ago	270
Isolation hospital, the future of the ..	135	Measles immunization, the practical aspects of C.L.	138
Jaws, fractures of the, treatment of 76 cases of, by Major S. H. Woods ..	366	Medical administration in the South African War .. Echoes of the Past	341
John Hunter (1728-1793)	145	Medical Specialist's Meeting, Royal Army Medical College, 1936	32, 107
Kelleber, Captain J. S., a case for diagnosis C.N.	264	Menecees, Captain A. N. T., and Lieutenant-Colonel T. O. Thompson, an auxiliary water supply at Cherat	27
Khan, Captain B. N., and Jemadar L. C. Aggarwal, investigation into a special strain of staphylococcus C.N.	261	Mollan, Major F. R. H., and Lieutenant H. L. Flint, an improved (universal) lorry fitting for stretchers C.N.	267
Lipids and immunological reactions ..	208	Monro, Brevet Lieutenant-Colonel D. C., the treatment of fractures	149
Lipscomb, Major F. M., contribution to discussion on anxiety neurosis in the Army.	32	Morrison, Lieutenant R. J. G., some cases of relapsing fever in Palestine ..	86
Medical Specialists' Meeting, 1936	32	Neurosis, anxiety, in the Army, contribution to discussion on, by Major F. M. Lipscomb. Medical Specialists' Meeting, 1936	32
Lorry fitting (universal), for stretchers, an improved, by Major F. R. H. Mollan and Lieutenant H. L. Flint C.N.	267	Neurosis, war, by Dr. E. Mapother. Medical Specialists' Meeting, 1936 ..	38
Luce, Major-General Sir Richard, war experiences of a Territorial Medical Officer	407	NOTICES:—	
Echoes of the Past 59, 121, 196, 275, 347,	407	Ninth International Congress of Military Medicine and Pharmacy ..	70
Lyburn, Captain R. St. J., a case of glandular fever or infective mononucleosis C.N.	403	Proseptasine ("M & B 125")	71
Macdonald, Captain A., and Assist. Surgeon R. Dorling, an improvised apparatus for the administration of ethyl chloride as a general anæsthetic C.N.	119	Soluseptasine (May and Baker)	287
		"Tabloid" brand Sulphonamide-P..	216
		"Tabloid" Guide to photography ..	359
		The Health Congress of the Royal Sanitary Institute, 1937	143, 358
		The Parkes Memorial Prize, 1936 ..	70
		The Royal Sanitary Institute. Discussion on "The House as a Home" ..	143

NOTICES:—*continued.*

	PAGE
The Twenty-Seventh Hospitals, Nursing, Midwifery and Public Health Exhibition and Conference, 1937 ..	70
University of London. Special Lectures in Chemistry and Anatomy ..	358, 359
“Wellcome” brand whooping-cough vaccine	421
O’Dowd, Captain F. J., an unusual cause of blood in the sputum C.N.	268
O’Grady, Major P. J. S., a case of auricular fibrillation, with recovery ..	401
Ointments, two useful, by Major F. S. Gillespie	58
Palestine, relapsing fever in, some cases of, by Lieutenant R. J. G. Morrison ..	86
Parkes Memorial Prize, 1936. ..Notice	70
Peake, Lieutenant-Colonel H. G., shikar in the Western Ghats	320
Peninsula, letters from the, 1811, by Captain Cranstoun George Ridout, 11th Light Dragoons, edited by Mrs. Black-Hawkins	246, 324
pH values, a simple apparatus for the determination of, by Major S. Elliott ..	239
Poliomyelitis, the significance of neutralizing substances in resistance and recovery from	C.L. 206
Priest, Brevet Colonel R., a case of human coccidiosis	317
Protective antibodies in the blood serum of individuals after immunization with typhoid vaccine	C.L. 281
Public health, on the state of the ..	Editorials 253, 393
Recruits, sub-standard, the experiment on, by Captain P. J. L. Capon ..	293
Relapsing fever in Palestine, some cases of, by Lieutenant R. J. G. Morrison ..	86
REVIEWS:—	
A handbook of hygiene for students and teachers, by Cyril G. Eastwood ..	139
A handbook of tropical therapeutics, by Brevet Colonel R. N. Chopra ..	86
A manual of radiological diagnosis, by Ivan C. C. Tchaperoff	421
Annual Report of the Surgeon-General, U.S. Army, 1936	295
Appendicitis, when and how to operate, by W. J. Stewart McKay	141
A short practice of surgery. Third edition, by Hamilton Bailey and R. J. McNeill Love	67
A treatise on materia medica and therapeutics, by Birendra Nath Ghosh	140

REVIEWS:—*continued.*

	PAGE
Bainbridge and Menzies’ Essentials of Physiology (8th Edition), edited and revised by H. Hartridge	214
Clinical handbook for residents, nurses and students (St. Vincent’s Hospital, Sydney), edited by Victor M. Copleston and Douglas Miller ..	141
Elements of orthopædic surgery, by N. Ross Smith	420

Hints to probationer nurses in mental hospitals, by Richard Eager	69
Katherine Lynton’s Portrait, by F. G. Hurrell	419
Monograph on physiology—absorption from the intestine, by F. Verzar ..	356
Muscular exercise, by Dr. Grace Eggleton	140
On the incidence of anæsthetic complications and their relation to basal narcosis, by C. J. M. Dawkins ..	215
Practical methods in the diagnosis and treatment of venereal diseases, by David Lees	356
Principles of bacteriology and immunity, by W. W. C. Topley and G. S. Wilson	142
Recent advances in genito-urinary surgery, by Hamilton Bailey and Norman M. Mathieson	286
Research: on the low potencies of homœopathy, by W. E. Boyd ..	216
The Medical Annual, 1937	417
Trachoma, by A. F. MacCallan ..	215
Treatment in general practice. The management of some major medical disorders. Various authors ..	286
Tropical Diseases Bulletin Supplement, vol. 33, October, 1936	357
Rheumatism, acute, effect of early tonsillectomy on the incidence of .. C.L.	65
Ridout, Captain Cranstoun George, 11th Light Dragoons, letters from the Peninsula, 1811. Edited by Mrs. Black-Hawkins	246
Royal Sanitary Institute. Discussion on “The House as a Home” Notices	143
Royal Sanitary Institute, the Health Congress of the Notices	143, 358
Russel, J., filtering and cleansing apparatus for swimming baths	182
Sandiford, Major H. A., “downward displacement” disinfection: blankets and webbing equipment	217

	PAGE		PAGE
Scarlatina studies. Concerning the results of preparatory Dick tests, and immunization experiments in the Finnish Army	C.L. 415	Tonsillectomy, early, effect of, on the incidence of rheumatism ..	C.L. 65
Scarlet fever, active immunization against	C.L. 138	Trypanosomes of sleeping sickness, some recent advances in the biology of ..	C.L. 35
Scarlet fever patients, the <i>mitis</i> type of <i>C. diphtheriae</i> in	C.L. 137	Turner, Dr. Aldren, discussion on anxiety states. Medical Specialists' Meeting, 1936	107
Schickele, General, précis of a lecture given by. The Geneva Convention and modern warfare	160	Typhoid fever—virulence of strains of <i>Bact. typhosum</i> , 100 consecutive cases, by Major H. J. Bensted	1
Schick test, immediate allergic response following a	C.L. 137	Unerrupted supernumerary impacted left upper molar, by Major G. W. Will	C.N. 405
Shikar in the Western Ghats, by Lieutenant-Colonel H. G. Peake	320	University of London. Special Lectures in Chemistry and Anatomy	358, 359
Sleeping sickness, some recent advances in the biology of the trypanosomes of	C.L. 354	Vaccinal virus (orchivaccine and neurovaccine), unfiltrability and the probable dimensions of	C.L. 211
Sobita—bismuth et sodii tartras and its uses, by Lieutenant-Colonel H. Hildreth	C.N. 55	Venereal diseases in the Army, some aspects of the prevention and treatment of, with special reference to gonorrhœa, by Lieutenant-Colonel C. Crawford-Jones	175
Soluseptasine (May and Baker) .. Notice	287	Venereal disease, the prevention of, with special reference to preventive ablution centres, by Lieutenant-Colonel A. Hood ..	390
South African War, medical administration in the	Echoes of the Past 341	War experiences of a Territorial medical officer, by Major-General Sir Richard Luce	Echoes of the Past 59, 121, 196, 275, 347, 407
Staphylococcus, investigation into a special strain of, by Captain B. N. Khan and Jemadar L. Aggarwal ..	C.N. 261	War neurosis, by Dr. E. Mapother. Medical Specialists' Meeting, 1936 ..	38
Stott, Lieutenant-Colonel H., heat exhaustion and dehydration in the Arabian Desert	379	Warts, genital, by Lieutenant J. F. Wilson	227, 305
Stretchers, an improved (universal) lorry fitting for, by Major F. R. H. Mollan, and Lieutenant H. L. Flint	C.N. 267	Water supply at Cherat, an auxiliary, by Lieutenant-Colonel T. O. Thompson and Captain A. N. T. Meneces	27
Sub-standard recruits, the experiment on, by Captain P. J. L. Capon	293	Whooping-cough, on an epidemic of, treated by methyl-propyl-diphenol	C.L. 416
Sullage water, the semi-automatic treatment of, by Hattersley's chemical method, by Lieutenant-Colonel T. O. Thompson	102	Whooping-cough vaccine, "Wellcome" brand	Notice 421
Sulphonamide-P., "Tabloid" brand	Notice 216	Williamson, Lieutenant-Colonel M. J., Manila and a gold mine	384
Sutton, Colonel G. W., bathing and drying tent apparatus	C.N. 192	Will, Major G. W., an unerupted supernumerary impacted left upper molar	C.N. 405
Swimming baths, filtering and cleansing apparatus for, by J. Russel	182	Wilson, Lieutenant J. F., genital warts	227, 305
"Tabloid" Guide to Photography	Notice 359	Woods, Major S. H., treatment of 76 cases of fractures of the jaws	366
"The first operation for appendicitis," letter from Mrs. G. F. I. Colquhoun ..	287		
Thompson, Lieutenant-Colonel T. O., and Captain A. N. T. Meneces, an auxiliary water supply at Cherat	27		
Thompson, Lieutenant-Colonel T. O., the semi-automatic treatment of sullage water by Hattersley's chemical method ..	102		

EDITORIAL NOTICES.

The Editor will be glad to receive original communications upon professional subjects, travel, and personal experiences, etc.

Correspondence on matters of interest to the Corps, and articles of a non-scientific character, may be accepted for publication under a nom-de-plume.

All Communications or Articles accepted and published in the "Journal of the Royal Army Medical Corps" will (unless the Author notifies at the time of submission that he reserves the copyright of the Article to himself) become the property of the Library and Journal Committee, who will exercise full copyright powers concerning such Articles.

A free issue of twenty-five reprints will be made to contributors of Original Communications and of twenty-five excerpts in the case of Lectures, Travels, Clinical and other Notes, and Echoes of the Past.

Reprints or excerpts, additional to the above, can be furnished on payment if specially ordered at the time of submission of the article for publication.

Communications in regard to editorial business should be addressed—"The Editor, JOURNAL OF THE ROYAL ARMY MEDICAL CORPS, War Office, Whitehall, London, S.W. 1."

MANAGER'S NOTICES.

The Annual Subscription for the JOURNAL OF THE ROYAL ARMY MEDICAL CORPS is £1 payable in advance. Single copies, 2s. 6d. per copy.

Cheques, etc., should be made payable to the "Journal R.A.M.C.," and crossed "Holt & Co."

Each subscriber who pays his subscription direct to the Manager will also receive monthly a copy of "The R.A.M.C., The A.D. Corps, and Q.A.I.M.N.S. *News and Gazette*."

Communications in regard to subscriptions, change of address, etc., should be addressed "THE MANAGER, JOURNAL OF THE ROYAL ARMY MEDICAL CORPS, A.M.D.2, WAR OFFICE, WHITEHALL, LONDON, S.W. 1."

ADVERTISEMENTS.

Communications regarding Advertisements should be addressed—
G. STREET & CO., LTD., 8, SERLE STREET, LONDON, W.C. 2.
