## Faculty of Medicine and Health Sciences

## **Interview guide:**

INTRODUCTION	Introduction
	Anonymity and confidentiality
	Recording
INTERVIEW	Main question: 'What experience did you have with sexual harassment in the
	unit/department where you work'?
	Topics:
	In what circumstances/location was this? At practice/during working
	hours/on a mission abroad,?
	What was your reaction to this?
	<ul> <li>How did the person react to the rejection or to your reaction?</li> </ul>
	Have you reported the behavior?
	<ul> <li>What was the reaction of superiors/colleagues/partner?</li> </ul>
	Have they taken measures/actions in the unit/department?
	<ul> <li>How do you see the future? Is there a need to raise awareness concerning</li> </ul>
	this problem in the unit/department?
	Side questions:
	Why did you say this?
	How did this start?
	What thoughts did you have?
	Could you talk to someone about it?
	How does that make you feel?
	What happened then?
	Why did this happen?
